## MÉDICIS BLANC

AOP GRIGNAN LES ADHÉMAR

*"Tasty marriage between the exuberant fruit of Viognier and the passage in new oak barrels, the concentrated aromas speak volumes about its potential."*

### A little history:

In 1564, Count François de la Baume received at the Château Charles IX and Queen Mother Catherine de Medici. This name remains forever attached to the history of Suze, its Château, its inhabitants, and it is as a worthy representative of this heritage that our Cuvée has been baptised.

### Grape varieties:

80% Viognier, 10% Grenache Blanc, 10% Marsanne & Roussanne

### Soil/Terroir:

Alluvium and pebbles.

### Vinification:

Destemming of the harvest, pneumatic pressing. Beginning of alcoholic fermentation in vats, then racking into new barrels, end of fermentation and aging on fine lees with stirring for 5 to 6 months.

### Tasting:

Clear and brilliant yellow colour with golden reflections. Good aromatic intensity of vanilla, apricots and dried fruits. On the palate, a fresh, supple and delicious wine.

### Serving temperature:

8 ° to 10 °

### Wine and Food Pairing:

Aperitif, shellfish, sea fish, creamed poultry, chicken with morels.
